MEMORANDUM

FROM: Bryce Johnson

DATE: Wednesday, December 18, 2019

RE: Idaho Shelter Coalition Memorandum of Understanding

Item Description

This is a Memorandum of Understanding for the newly formed Idaho Shelter Coalition that the Idaho Falls Animal Shelter wishes to be a part of. The purpose of the coalition is for the animal shelters of Idaho to come together to end the unnecessary euthanasia of dogs and cats in the State of Idaho by creating an alliance of animal welfare organizations.

Purpose

Signing the MOU and becoming a part of the coalition promotes good governance by ensuring a common understanding of what Coalition participation requires. Participation in the Coalition also enhances public safety and shelter operations by sharing ideas and real-world experiences with other animal shelters in our state.

Fiscal Impact / Financial Review

The costs associated with belonging to this coalition are minimal. One of our staff members has been asked to be on the Governing Committee, therefore there are travel expenses for a once a year meeting (less than \$500) for her to attend.

Legal Review

The City Attorney has reviewed the Memorandum of Understanding and has made a few minor changes which are reflected in the final document. The changes are: 1. add "aspire to" under Obligations and Commitments of Coalition Members and 2. Added "except to the extent that such records are deemed to be governed by the Idaho Public Records Act, Idaho Code Chapter 1, Title 74." to bullet #11 under the same heading.

Interdepartmental Review

This item does not require interdepartmental coordination at this time."

Recommended Action

1. Mission of the Idaho Shelter Coalition

The mission of the Idaho Shelter Coalition is to end the unnecessary euthanasia of cats and dogs in our state by creating an alliance of animal welfare organizations.

2. Legal Structure and Governance

Each Coalition member maintains its own independent status as a 501(c)(3) nonprofit organization or government run animal shelter. No member of the Coalition is authorized to bind any other member to any contract, instrument or other document or to act as agent for any other member. This MOU is not intended to create a joint venture, partnership, association, corporation, or other legal entity. The parties herein specifically do not intend to, and nothing in this MOU should be interpreted to, create a Joint Powers Agreement as defined by Idaho Code § 67-2328.

The Coalition shall be governed by a Governing Committee consistent with the Coalition’s mission and by laws. The Governing Committee is further described in paragraph 5, below

- To ensure that no cat or dog in the care, custody, or control of the Coalition member is bred or used for breeding purposes.

Upon withdrawal or termination of participation in the Coalition, the Governing Committee shall promptly, and in no event more than five business days following the effective date of termination, remove all information about the Coalition member from the Coalition website and cease to use the terminating member's intellectual and other property.
